
ONLINE MEDIA DISCLAIMER

We welcome and encourage open discussion on Faith Technologies' online media sites - including but not limited to, our company blog, Facebook, Twitter, YouTube, and LinkedIn - and look forward to any comments, stories and experiences participants want to share.

That said, we do make reasonable efforts to monitor participation to ensure participants stay on topic, are courteous, and avoid making offensive comments. Please be aware that once something is posted online, there's the potential for thousands (or hundreds of thousands) of people to read your words, even years from now. As a result, Faith Technologies recommends participants exercise caution when posting information on any of Faith Technologies' social media sites. Additionally, Faith Technologies discourages anyone from disclosing personal identifiable information like location, financial information, etc.

The opinions and/or views expressed on Faith Technologies' online media platforms represent the thoughts of individual bloggers and online communities, and not those necessarily of Faith Technologies or any of their employees, board of directors, or officers of the company.

Faith Technologies reserves the sole right to review, edit, and/or delete any comments it deems inappropriate. Comments including, but not limited to the following, may be deleted or edited by the moderators:

- Abusive or hurtful comments about a blogger or another participant
- Off-topic and redundant comments (this includes promotion of events, groups, pages, websites, organizations and programs not related to or affiliated with Faith Technologies)
- Comments that use foul language or "hate speech" (e.g. racial, ethnic, or gender insensitive language)
- Personal attacks or defamatory statements or comments (e.g. making negative personal or untrue comments about a participant)
- Comments that violate the privacy of a blogger or another participant

All links to other websites found linked from Faith Technologies' online media sites are provided as a service to readers, but such linkage does not constitute endorsement of those sites by Faith Technologies. That said, Faith Technologies is not responsible for the content of external websites.

By submitting content to any of Faith Technologies' social media sites, you understand and acknowledge that this information is available to the public, and that Faith Technologies may use this information for internal and/or external promotional and fundraising purposes. Please note that participants may use other participants posted information beyond the control of Faith Technologies. If participants do not wish to have the information you have made available via the site used, published, copied and/or reprinted, please do not post on this page.
